

You Will Be Loved

Nicole Scherzinger

Sometimes we give it all up just for love
Just to find out that it wasn't love at all
Sometimes sometimes
Sometimes you want somebody in a bed
So bad we giving ourselves
Sometimes sometimes

R: So it ain't nothing wrong
We thinking with our hearts
And letting someone near
That storm might break you down
But you get up again
And learn from your mistakes
Forgive but don't forget
Don't let it hold you back
Coz sooner or later
You will be loved be loved be loved (8x)

Sometimes it feels like everything's going wrong
And we feel like it's all our fault
Sometimes sometimes
Sometimes we feel like when it's all said and done
Like all of the love is never gonna come
Sometimes

R:

Sometimes you're up sometimes you're down
Sometimes you feel like you're stuck on the ground coz of love
Coz of love
Sometimes you're down sometimes you're up
Just at the point when you're 'bout to giving up on love
On love
On love
Sooner or later
You will be loved (8x)

You will be you will be loved
