

# I Only Want To Be With You

Nicolette Larson

Don't know what it is  
That makes me love you so  
I only know I never  
Wanna let you go

Cause you started something  
Oh, can't you see  
And ever since we met  
You've had a hold on me  
I happens to be true  
I only want to be with you

It doesn't matter where  
You go or what you do  
I wanna spend each morning  
Night and day with you

Oh, look what has happened  
With just one kiss  
I never knew that I could  
Be in love like this  
It's crazy but it's true  
I only want to be with you

You stopped and smiled at me  
And asked if I cared to dance  
I fell into your open arms  
And I didn't stand a chance

Now, listen, honey  
I just wanna be  
Beside you everywhere  
As long as we're together  
Honey, I don't care

Cause you started something  
Oh, can't you see  
And ever since we met  
You've had a hold on me  
No matter what you do  
I only want to be with you

Oh, you stopped and smiled at me  
And asked if I cared to dance  
I fell into your open arms  
And I didn't stand a chance

Now, listen, honey  
I just wanna be  
Beside you everywhere  
As long as we're together  
Honey, I don't care

Cause you started something  
Oh, can't you see  
And ever since we met  
You've had a hold on me

No matter what you do  
I only want to be with you

Oh, no matter  
No matter what you do  
I only want to be with you

I only want to be with you  
Oh, oh, oh, oh  
I only want to be with you
