

Last In Love

Nicolette Larson

Blues outside my door
I don't even know if it's raining
But I've been here before
And I don't wanna be here again

Ev'ry now and then
Voices on the wind
Call me back to the first time
Far away and clear
You can hear the tear drops
Falling for the last in love.

If I let you down
All I can say is "I'm sorry"
Now it's' all over town
So I don't want to hear it from you

Please don't look away it's hard enough to say
This could go on forever
When the night is clear
I can hear the teardrops
Falling for the last in love.

Every now and then
I hear voices on the wind
I may love you always and always
Far away and clear
You can hear the teardrops
Falling for the last in love
Calling for the last in love
