Far away I walk the way To take your breath away I'm loosing all my friends Far away I walk the way To take your breath away I'm losing all my sense So many people They got me crazy Too many problems outta control Who's gonna save me? Wait for the answer Who's gonna tell me? Where are you going? Now the time Get up yourself Fuck the school You never learn a lot Think about yourself Not neighbors 1, 2, 3, 4, 5, 6 Breaking all the rules

Hey, man! tell me now I wanna know how's ya feeling? Never be worried! Don't be afraid! I'm gonna show you I'm waiting for your words

So many traffic I'm going lazy Too many trouble Nobody wants Who's gonna trust me? Nobody told me Whatever you say I'm gonna run away For a while Behave yourself Sooner or later You get a better chance Talk about the fuckin' bullshit Humpty Dumpty Why are you sitting on the wall?

Hey, man! Tell me now I wanna know how's your feeling Never be worried! Don't be afraid! I'm gonna show you I'm waiting for your words I'm waiting for your words Nicotine
