

# Heaven

Nidji

Don't beg, don't cry to your children  
Don't you cry to your papa  
Try to beg to your people  
Don't you cry to your mamma

'Cause heaven is too far around tonight  
Heaven is too far around tonight

Don't laugh, don't scream to your children  
Don't you cry to your sister  
Don't talk, don't play with the children  
'Cause you ain't gonna get my heart

'Cause heaven is too far around tonight  
Heaven is too far around tonight

Heaven is too far around tonight  
Heaven is too far around tonight
