

## Blades To Laughter

## Night In Gales

If blades were laughter  
Each nail a smile  
My scissorsmouth  
Would spit the soil  
For words of napalm  
None below  
For hymenmurmur's  
Poisonshow

If blades were laughter  
Each knife ten teeth  
I'd dye the words i breathe  
All black

If blades were laughter  
Each pile a grin  
My starscumwords  
Would twist and spin  
The murmurfather's  
Silverthroat  
That spat the soil  
For what i wrote
