Four In The Morning

Night Ranger

Four in the morning Came without a warning Everybody's got a place to be I got holes in my conscience Shot with a vengeance I must have been a fool not to see

I need you bad It's hard to live without your company I need you bad, so bad I can't take it you see Oh, I...

Can't take anymore I can't fake anymore It's such a hard time loving I can't take anymore I can't fake anymore It's such a hard time loving you

There was a time when I knew you I held my body to you Made you feel like you never felt before And now it's all in the distance Still you keep resisting I love you like never before

Oh, I need you bad It's hard to live without your tender touch I need you bad, so bad I guess you're playing me tough Oh, I...

Can't take anymore I can't fake anymore It's such a hard time loving I can't take anymore I can't fake anymore It's such a hard time loving you

I guess I was going In the wrong direction I guess I was thrown for a while I need to see you smile I need you so, yeah

I must have been going In the wrong direction I guess I was thrown for a while

I need you bad It's hard to live without your company I need you bad, so bad I can't take it you see I need you bad It's hard to live without your tender touch I need you bad, so bad I'm only taking so much Oh, I...

Can't take anymore I can't fake anymore It's such a hard time loving I can't take anymore I can't fake anymore It's such a hard time loving you
