

Goodbye

Night Ranger

As the sun hides his head
For another night's rest
And the wind sings
His same old song
And you on the edge
Never close, never far
Always there when I needed a friend

But it's hard living life
On this memory-go-round
Always up, always down
Spinning 'round and 'round and 'round

All this could be
Just a dream so it seems
I was never much good at goodbye

There once was a time
Never far from my mind
On the beach, on the 4th of July
I remember the sand
How you held out your hand
And we touched for what seemed a lifetime

But it's hard
Leaving all this behind me now
Like a schoolboy so lost
Never found until now

And all this could be
Just a dream so it seems
I was never much good at goodbye

Yet it's hard
Living life on this memory-go-round
Always up, always down
Turning 'round and 'round and 'round

And all this could be
Just a dream so it seems
I was never much good at goodbye

And all this could be
Just a dream so it seems
I was never much good at goodbye
Goodbye
