

# Goodbye

Night Ranger

As the sun hides his head  
For another night's rest  
And the wind sings  
His same old song  
And you on the edge  
Never close, never far  
Always there when I needed a friend

But it's hard living life  
On this memory-go-round  
Always up, always down  
Spinning 'round and 'round and 'round

All this could be  
Just a dream so it seems  
I was never much good at goodbye

There once was a time  
Never far from my mind  
On the beach, on the 4th of July  
I remember the sand  
How you held out your hand  
And we touched for what seemed a lifetime

But it's hard  
Leaving all this behind me now  
Like a schoolboy so lost  
Never found until now

And all this could be  
Just a dream so it seems  
I was never much good at goodbye

Yet it's hard  
Living life on this memory-go-round  
Always up, always down  
Turning 'round and 'round and 'round

And all this could be  
Just a dream so it seems  
I was never much good at goodbye

And all this could be  
Just a dream so it seems  
I was never much good at goodbye  
Goodbye
