Goodbye

Night Ranger

As the sun hides his head For another night's rest And the wind sings His same old song And you on the edge Never close, never far Always there when I needed a friend

But it's hard living life On this memory-go-round Always up, always down Spinning 'round and 'round and 'round

All this could be Just a dream so it seems I was never much good at goodbye

There once was a time Never far from my mind On the beach, on the 4th of July I remember the sand How you held out your hand And we touched for what seemed a lifetime

But it's hard Leaving all this behind me now Like a schoolboy so lost Never found until now

And all this could be Just a dream so it seems I was never much good at goodbye

Yet it's hard Living life on this memory-go-round Always up, always down Turning 'round and 'round and 'round

And all this could be Just a dream so it seems I was never much good at goodbye

And all this could be Just a dream so it seems I was never much good at goodbye Goodbye
