

Peace Sign

Night Ranger

I was born In the heart of America
And I was raised by a hard working mom
We didn't have as much that you'd call anything
But what we had was a whole lotta love
Alright

Then I met a girl from California
Her name was Feather or something like that
Her folks were Hippies from a farm up in Oregon
The kind of place The DEA would love to whack

She said, "Take my hand I've been here before
I need a barefoot lover wanna do it on the floor
I'm gonna live my life like there's no tomorrow
It's a beautiful wave" power to the peace sign

She didn't mind me asking lots of questions
About her beads or the way she wore her hair
She never shaved her legs looked kinda guy like
But what's the difference on a beach naked bare

So take my hand I've been here before
I need a barefoot lover wanna do it on the floor
I'm gonna live my life like there's no manana
It's a beautiful wave power to the peace sign

Oh happy day
Oh happy day
Power to the peace sign

Peace sign
Peace sign
Oh happy day
Oh happy day

Now here I am on some farm up in Oregon
Growing flowers at 50 cents a day
And Feather runs a multi mega corporation
Taking down millions oh, happy day

So take my hand I've been here before
I need a barefoot lover wanna do it on the floor
I'm gonna live my life like there's no tomorrow
It's a beautiful wave power to the peace sign

Take my hand I've been here before
I need a barefoot lover wanna do it on the floor
I'm gonna live my life like there's no manana
It's a beautiful wave power to the peace sign
Yea, yea, yea
Power to the peace sign
Yea, yea, yea
Power to the peace sign
Yea, yea, yea
Power to the peace sign
