

## 7 Days to the Wolves

Nightwish

The wolves, my love, will come  
Taking us home where dust once was a man

Is there Life before a Death?  
Do we long too much and never let in?

Howl  
7 days to the wolves  
Where will we be when they come  
7 days to the poison  
And a place in heaven  
Time drawing near as they come to take us

This is my church of choice  
Love's strength standeth in love's sacrifice

For the rest, I have to say to you  
I will dream like the God  
And suffer like all the dead children

Howl  
7 days to the wolves  
Where will we be when they come  
7 days to the poison  
And a place in heaven  
Time drawing near as they come to take us

This is  
Where heroes  
And cowards  
Part ways

Light the fire, feast  
Chase the ghost, give in  
Take the road less traveled by  
Leave the city of fools  
Turn every poet loose

Howl  
7 days to the wolves  
Where will we be when they come  
7 days to the poison  
And a place in heaven  
Time drawing near as they come to take us

Heroes  
Cowards  
No more
