

Baptised with a perfect name
The doubting one by heart
Alone without himself

War between him and the day
Need someone to blame
In the end little he can do alone

You believe with what you see
You receive with what you give

Caress is the one
The never-fading rain in your heart
The tears of snow white sorrow
Caress the one
The hiding amaranth
In the land of the daybreak

Apart, in the one daring heart
In this brief fly of time
We reach for the one to ever dare

You believe with what you see
You receive with what you give

There is the one
The never-fading rain in your heart
The tears of snow white sorrow
Caress the one
The hiding amaranth
In the land of birth and grave

There is the one
The never-fading rain in your heart
The tears of snow white sorrow
Caress the one
The hiding amaranth
In the land of birth and grave

Reaching, searching for something untouched
Hearing voices of the never-fading calling

There is the one
The never-fading rain in your heart
The tears of snow white sorrow
Caress the one
The hiding amaranth
In the land of birth and grave

There is the one
The never-fading rain in your heart
The tears of snow white sorrow
Caress the one
The hiding amaranth
In the land of birth and grave
