And all for once

Intro riff: 1x bez doprovodu 1x s doprovodem This is me for forever One of the lost ones The one without a name Without an honest heart as compass This is me for forever One without a name These lines the last endeavor To find the missing lifeline Ref: Oh how I wish For soothing rain All i wish is to dream again My loving heart Lost in the dark For hope I'd give my everything My flower withered between the pages two and three The once and forever bloom gone with my sins Walk the dark path sleep with angels Call the past for help Touch me with your love And reveal to me my true name 2x REF: Oh how I wish For soothing rain Oh how I wish to dream again Once and for all
