

## Walking In The Air

Nightwish

Walking in the air we're floating in the moonlit sky  
the people far below are sleeping as we fly  
Holding very tight I'm riding in the midnight blue  
I'm finding I can fly so high above with you

On across the world the villages go by like dreams  
the rivers and the hills, the forests and the streams  
Children gaze open mouthed taken by surprise  
nobody down below believes their eyes  
We're surfing in the air we're swimming in the frozen sky  
we're drifting over ice and mountains floating by

Suddenly swooping low on an ocean deep  
rousing up mighty monster from his sleep  
We're walking in the air we're dancing in the midnight sky  
and everyone who sees us greet us as we fly
