

# Wish I Had an Angel

Nightwish

I wish I had an angel  
For one moment of love  
I wish I had your angel tonight

Deep into a dying day  
I took a step outside an innocent heart  
Preapare to hate me for when I may  
This night will hurt you like never before

Old loves they die hard  
Old lies they die harder

I wish I had an angel  
For one moment of love  
I wish I had your angel  
Your Virgin Mary undone  
I'm in love with my lust  
Burning angelwings to dust  
I wish I had your angel tonight.

I'm going down so frail'n cruel  
Drunken disguise changes all the rules

Old loves they die hard  
Old lies they die harder

I wish I had an angel  
For one moment of love  
I wish I had your angel  
Your Virgin Mary undone  
I'm in love with my lust  
Burning angelwings to dust  
I wish I had your angel tonight

Greatest thrill  
Not to kill  
But to have the prize of the night  
Hypocrite  
Wannabe friend  
13th disciple who betrayed me for nothing!

Last dance, first kiss  
Your touch my bliss  
Beauty always comes with dark thoughts

I wish I had an angel  
For one moment of love  
I wish I had your angel  
Your Virgin Mary undone  
I'm in love with my lust  
Burning angelwings to dust  
I wish I had your angel tonight
