

# City Of Angels

Nik Kershaw

Gone fishing for compliments  
On hollywood and vine  
I'd come to your party  
But I haven't finished mine  
Talk to the doctor  
He turns acid into wine, 'cause

I am an angel in the city of angels  
Nothing cuts too deep  
Yes I am an angel  
In the city of angels  
And I live the biggest sleep... oh oh oh

I'm off to chew the fat  
Where all the in crowd chew  
Hang loose at the oscar show  
And at the yacht club too  
Don't mess with me  
'cos I've a bigger hose than you. 'cause

I am an angel in the city of angels  
Nothing cuts too deep  
Yes I am an angel  
In the city of angels  
And I live the biggest sleep  
Cos I am an angel nothing here is real  
Cos I am an angel in the city of angels  
It only matters what you feel

Cause  
I am an angel  
In the city of angels  
And everything is cool  
Cause I am an angel  
In the city of angels  
It's me I'm trying to fool

'cos I am an angel  
In the city of angels  
Nothings as it seems  
'cos I am an angel  
In the city of angels  
So come and live your dreams

'cos I am an angel in the city of angels  
Nothing cuts too deep  
'cos I am an angel  
In the city of angels  
And I live the biggest sleep
