

Stuff

Nik Kershaw

Hot one, everybody's got one
Everybody else but you,
Must have, better than the riff-raff,
Better than the judges too,

Tiny, little black and shiny,
Couldn't live a day without,
New one, better than the old one,
Better throw the old one out,

Help me, I think I'll go to pieces,
I think I'm going to cry,
If I don't get my

Stuff, stuff, I can't get enough,
I can't kick the drug I'm taking,
Stuff, stuff, I can't feel the love,
I can't rise above this craving,
Enslaving me.

Oh fantastic, stick it on your plastic,
Never mind the debt you're in,
Nonesuch, doesn't matter how much,
Gotta be the latest thing,

Tres bon, anything with knobs on,
Anything with flashing lights,
Hi-fi, stick it on your hard drive,
Fill it up with gigabytes,

Help me, I think I've gone to hell,
I think I'll go to war,
If I don't get more

Stuff, stuff, I can't get enough,
I can't kick the drug I'm taking,
Stuff, stuff, I can't feel the love,
I can't rise above this craving,
Enslaving me,
No saving me, oh...

Stop, stop, I'm full to the top,
(I feel I won't, I love, I need)
Stuff, stuff, i can't get enough,
I can't kick the drug I'm taking, oh...
Stuff, stuff, can't feel the love,
Can't rise above this craving,
Enslaving me.
