Everyone can see
There's a change in me
The all say I'm not the same
Kid I used to be

Don't go out and play
I'll just dream all day
They don't know what's wrong with me
And I'm too shy to say

It's my first love
What I'm dreaming of
When I go to bed
When I lay my head upon my pillow
Don't know what to do

My First love
He thinks that I'm too young
He doesn't even know
Wish that I could show him what I'm feeling
Cause I'm feeling my first love

Mirror on the wall Does he care at all Will he ever notice me Could he ever fall

Tell me Teddy Bear Why love is so unfair? Will I ever find a way And answer to my pray
