

# Heaven Sinner

Nikka Costa

What do you beleive in -- heaven or hell  
Heart stop, lollipop  
Suck you up, never stop  
Make my tickle itch  
I'll be your little bitch

Nasty little red-head  
Crawlin' into your bed  
Feather breath, honey dust  
Just can't get enough

I don't give a damn what they say  
Ain't me a better man anywhere  
That makes me feel like vanilla sunshine  
Turn me over my God will forgive me, yeah  
What do you beleive in -- heaven or hell  
My God will forgive me, yeah  
What do you beleive in -- heaven or hell

Tangerine teases, lemon squeezes  
It's gettin' harder and harder  
To wear these dreams while the devil screams:  
"I'm comin' on in so beware the father"

I don't give a damn  
Send me down  
Too many guilty saints in this town  
Come and be my vision of divine intervention  
Make it dirty, my God will forgive me, yeah

(Hell or heaven yeah)  
Your heaven made a sinner of me (Baby, baby, baby)

Good-luck, toe suck  
Now I'm gonna ---- you 'til you're screamin'  
And your soul redeemin'  
'Cause I've never been so bad before  
Your sweetie-pie's a freaky whore  
Down and dirty, I make your momma worry

I don't give a damn, I don't care  
Tie me up, I ain't goin' nowhere  
'Til I get me some delicious somethin'  
Come on over, my God will forgive me, yeah

Your heaven made a sinner of me (Baby, baby, baby)

Let me do wrong with ya babe  
I'm comin' to getcha, getcha  
Can you feel my love?  
Let me do wrong with ya babe  
Can you feel my...?  
Can you feel my love?
