

# Hope It Felt Good

Nikka Costa

Y'all know my steelo

What if I was the one to leave your sorry ass behind  
What if all these tears that're falling were yours instead of mine  
What if I was proof? all the wiser by the minute  
What if I knew your were making a bed and just who was lying in it

Hope it felt good to say you love her  
Hope it felt good baby baby baby  
Hope it felt good to be with another  
Hope it felt good yeah yeah yeah

And uhm...

What if I just wipe the floor with your love without even thinking  
What if the thread you were hanging on had you strung out on wishful thinking  
I've become clearer since I came out from under the wrong impression  
I've been stuck on the detour baby heading in the wrong direction

Hope it felt good to say you love her  
Hope it felt good baby baby baby  
Hope it felt good to be with another  
Hope it felt good yeah yeah yeah

I hope it felt good yeah  
I hope it felt good yeah  
I hope it felt good for you baby  
I hope it felt good for you baby  
Oh you're killing me baby

Alright

Oh didn't it feel good baby  
I hope it felt good  
Oh didn't it feel good
