

So Glad I Have You

Nikka Costa

Late at night when a bad dream
Steals my sleep and shadows on the wall
Give me the creeps
I get so scared I shake inside
So wiggle under the covers and hide
I'm safe in there with my teddy bear
So glad I have you
To cuddle up to
So glad I have you
So glad I have you
You help me through
When dreams make me blue
Don't know what I'd do
If I didn't have you
You're always there
When I need a friend to care
You take the chill from the air
And rainbows appear ev'rywhere
Woh
When it's dark and my mind plays tricks on me
And I feel a world of tears
Drip down my cheeks
It's a lonely place when no one's awake
But life ain't always a piece of cake
And you ease the pain
And stop the rain
So glad I have you
To cuddle up to
So glad I have you
So glad I have you
You help me through
When dreams make me blue
Don't know what I'd do
If I didn't have you
Good friends are rare
And you keep the secrets we share
There's no one out there
Who could take the place of my teddy bear
Woh
You're always there
When I need a friend to care
You take the chill from the air
And rainbows appear ev'rywhere
Woh
So glad I have you
To cuddle up to
So glad I have you
So glad I have you
You help me through
When dreams make me blue
Don't know what I'd do
If I didn't have you
You're always there when I need a friend to care
You take the chill from the air
And rainbows appear ev'rywhere
Woh
