

# Irresistible

Nikki Cleary

You're irresistible  
I know I should have said goodbye  
I know I should have looked away this time  
And I know that we're the best of friends  
And you don't know what I am hiding  
Underneath this smile  
I'm dying  
Whenever you leave

You're irresistible  
I think you know  
That you're so missable  
Every time you go  
You're lips are kissable  
I know you know  
You're irresistible  
That's why I can't say no

You're looking into my eyes  
And I'm trying to disguise all of my thoughts  
But every time that you're around  
Each and every time I fall apart  
So hard to listen to my mind  
Now my heart is so hard  
It tears me apart

You're irresistible  
I think you know  
That you're so missable  
Every time you go  
You're lips are kissable  
I know you know  
You're irresistible  
That's why I can't say no

I can't say no  
I can't say no  
You're irresistible  
And (Oooh)  
There's something about the way I wanna  
Hold onto to you  
(You-you-you)  
And I know  
That if I had my way baby  
I'd stay and never let go  
I'd never let go

You're irresistible  
I think you know  
That you're so missable  
Every time you go  
You're lips are kissable  
I know you know  
You're irresistible  
That's why I can't say no

You're irresistible

Baby you know  
Baby you know  
That you're so missable  
Every time you go  
(Don't go no where)  
You're lips are kissable  
I know you know  
You're irresistible  
That's why I can't say no

I can't say no  
I can't say no  
I can't say no  
You're irresistable  
Baby you know  
Every time you go  
Every time you go  
You're irresistible  
You're irresistible
