

Dare You To Love

Nikki Flores

Stand up, don't let 'em keep you down
Speak up, your voice carries over the crowd
Wake up, it's all in your hands right now (right now)
Start forgiving this world we live in
Don't waste one minute, of your life, on foolish lies

Dare you to love
Sometimes, you're in the dark
Sometimes, it get's too hard
Sometimes you wanna give up or give in to it all
Don't let go of your spark, it makes you who you are
Just being you is enough

I dare you to love
Let the fire ignite
Put out the darkness with your light
I dare you to love
Now is the time
To open your heart, to what's inside
I dare you to love

Breakdown,
All of the walls that you built
To keep out, all of the pain that you feel
I've found, love always turns around

Start forgiving this world we live in
Don't waste one minute, of your life, on foolish lies
Dare you to love
Sometimes, you're in the dark
Sometimes, it get's too hard
Sometimes you wanna give up or give in to it all
Don't let go of your spark, it makes you who you are
Just being you is enough

I dare you to love
Let the fire ignite
Put out the darkness with your light
I dare you to love
Now is the time
To open your heart, to what's inside
I dare you to lo-o-o-ahh-o-o-ove, ahh
I dare you to love
I dare you to lo-o-o-ahh-o-o-ove, ahh
I dare you to love

Sometimes, you're in the dark
Sometimes, it get's too hard
Sometimes you wanna give up or give in to it all
Don't let go of your spark, it makes you who you are
Just being you is enough

I dare you to love
Let the fire ignite
Put out the darkness with your light
I dare you to love
Now is the time

To open your heart, to what's inside
I dare you to love
