Insecure

Nikki Flores

[Verse 1:] I'm standing here right in front of you They still stay the same Then i hear u say I love you And my worries disappear Makes me wonder why i can't let it go Theres no reason why i should feel alone But i hide behind my skin afraid of what's within [Chorus:] It's my insecurity It's not you it's me I'm my worst enemy It's my insecurity Just wanna be perfect in your eyes (perfect in your eyes) [Verse 2:] Now I know that you loved me for me But its so hard I've been hurt so many times But you never lit the sky baby Makes me wonder why i can't let it go (i can't let it go) There's no reason why I should feel alone But I hide behind my skin Afraid of what's within [Chorus:] It's my insecurity It's not you it's me I'm my worst enemy It's my insecurity Just wanna be perfect in your eyes (perfect in your eyes) [Bridge:] All I really want is love All I really need is He's all mine So tell me why im so lost baby Of something i already had yeahh [chorus:] It's my insecurity It's not you it's me I'm my worst enemy It's my insecurity Just wanna be perfect in your eyes (perfect in your eyes)
