

# Bienvenue dans ma vie

Nikki Yanofsky

Bienvenue dans ma vie  
Tout est brillant ici  
It's warm inside  
My door is open wide  
Don't stand outside...

[Chorus 1:]  
You can see from far away  
It's a kind of place you'd like to stay,  
Kick off your shoes,  
Forget your strife  
There's a light on in a heart  
Leading to a place  
Where you can fall and rest your head  
Close your eyes,  
Welcome to my life.

Everything is full of light  
Il fait gris dehors  
Ne t'inquiète pas, mon amour  
Plein de couleurs dans mon coeur

[Chorus 1:]  
You can see from far away  
It's a kind of place you'd like to stay,  
Kick off your shoes,  
Forget your strife  
There's a light on in a heart  
Leading to a place  
Where you can fall and rest your head  
Close your eyes,  
Welcome to my life.

[Music]  
[scat singing]

[Chorus 1:]  
Oh oh oh oh  
You can see from far away  
It's a kind of place you'd like to stay,  
Kick off your shoes,  
Forget your strife  
There's a light on in a heart  
Leading to a place  
Where you can fall and rest your head  
Close your eyes.

[Chorus 2:]  
You can see from far away  
It's a kind of place you'd like to stay,  
Kick off your shoes,  
Forget your strife  
There's a light on in a heart  
Leading to a place  
Where we can fall and rest our heads  
Close our eyes.  
Welcome to my life

Welcome to my life  
Bienvenue dans ma vie.
