## On The Sunny Side Of The Street/Fool In The Rain

## Nikki Yanofsky

Uh, oh, light up the love that I've found, I'm just a fool in t he rain...

Grab your coat and snatch your hat Leave your worries on the doorstep Just direct your feet To the sunny side of the street Can't you hear that pitter pat And that happy tune is your step Life can be so sweet On the sunny side of the street

I used to walk in the shade With those blues on parade No longer afraid the rover, crossed over

If I never had a cent
I'll be rich as Rockfeller
Gold dust at my feet
on the sunny side of the street

I used to walk in the shade With those blues on parade No longer afraid The rover, he get over

If I never had a cent I'll be rich as Rockfeller Gold dust at my feet On the sunny side of the street On the sunny side, on the sunny side On the sunny, the sunny side of the street Yeah...
