

You Mean The World To Me

Nikki Yanofsky

I think about you
Night and day
I think about you
When I'm away
How I miss your kiss and huggin'
How I long to have your lovin'
How you mean the world to me

I think about you
All the time
I think about how
You're all mine
How only I can hold your hand
How you're the one I call the man
How you mean the world to me

Every time I feel your touch
Boy, you give me such a rush
And every time you stroke my hair
You send shivers everywhere

I think about you
And your smile
I think about the
Longest mile
And I would run to get to you
And I know you would do that too
Cause you mean the world to me

Every time I feel your touch
Boy, you give me such a rush
And every time you stroke my hair
You send shivers everywhere

I think about you
My sweet heart
I think about you
Where do I start
Cause all the worlds I coul unseal
Don't justify just how I feel
Cause you mean the world to me
You mean the world to me
