

You've Changed

Nikki Yanofsky

I've an awfully feeling
That this thought
That's been a stealing through my brain
Is not to be ignored

But to really tell the truth
Though I'm not a well known sleuth
I honestly believe that you are bored

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart

You've changed
You've changed
Your kisses now are so blase
You're bored with me in every way
I can't understand

You've changed
You've forgotten the words
"I love you"
Each memory that we've shared
You ignore every star above you
I can't realise you've ever cared

You've changed
You're not the angel I once knew
No need to tell me what we're through
It's all over now
You've changed
