

# You've Changed

Nikki Yanofsky

I've an awfully feeling  
That this thought  
That's been a stealing through my brain  
Is not to be ignored

But to really tell the truth  
Though I'm not a well known sleuth  
I honestly believe that you are bored

You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart

You've changed  
You've changed  
Your kisses now are so blase  
You're bored with me in every way  
I can't understand

You've changed  
You've forgotten the words  
"I love you"  
Each memory that we've shared  
You ignore every star above you  
I can't realise you've ever cared

You've changed  
You're not the angel I once knew  
No need to tell me what we're through  
It's all over now  
You've changed
