

Kafir

Nile

Kafir!

There is no God but God

There is no God but God

There is no God but the one true God

There is no God but the hidden God

There is no God

There is no God

There is no God

There is no God

Allah Akhbar!

In the name of the unmerciful the unbenevolent

In the name of the lord of the worlds

Owner of the Day of Judgment

Show us the path of those who earn anger

And those who go astray

As for the disbelievers

Whether thou warn them or warn them not

Is all one for them

They believe not

And theirs is an awful doom

Kafir!

O Mankind

Worship the God whom thou hast created

Who hast created thee

And those who came before thee

O Mankind

Thou sons of simian ancestors

Guard yourself against the fire

Prepared for disbelievers

Whose fuel is of men and stones

There is no God but God

There is no God but God

There is no God but the one true God

There is no God but the hidden God

There is no God

There is no God

There is no God

There is no God

Allah Akhbar!
