

Dream Big

Nils Lofgren

~~~♪♪♪ ~~~

You gotta dance a lot  
You gotta sing a lot  
Open your heart a lot  
And you can be a lot

You gotta share your stuff  
Give when the times get tough  
Your best can be enough

Dream big, work hard, stay humble  
Give big, stay strong, be humble  
Humble, humble

You gotta speak your heart  
Love like a work of art  
Children sing and dance  
Make sure they get the chance

Dream big, work hard, stay humble  
Give big, stay strong, be humble  
Humble

~~~♪♪♪ ~~~

We need a world at peace
War on disease and hate
All this despair and greed
Don't let it be your fate

Dream big, give hard, stay humble
And you can dance a lot
You better dance a lot
Dream big and dance a lot
We need to dance a lot
Dance in your heart, dance in your head
Dance into Heaven, dance into dead
You better dance a lot
Give big and dance a lot
We need to dance a lot
Dream big and dance a lot
We gotta dance a lot
Give hard and dance a lot
Dream big and dance a lot
