

I'll Arise

Nils Lofgren

your magic's in the air
I can feel it everywhere
encouraging me to fight
for what i belive is right
thanks to you
and family ties
i'll arise
i'll arise

you sail the sea to find
america your home
a family you did make
now i dont feel alone
thanks to you
and family ties
i'll arise
i'll arise

know the best
it's no surprise
i'll arise

angels walk with you today
your spirists are near
lifting me along my way
in your light I have no fear
i've been weak
but i grow wise
i'll arise

know the best, it's no surpirse
i'll arise
thanks to you
and family ties
i'll arise
i'll arise
