

## Moontears

Nils Lofgren

Here I come again on a Saturday night  
After the first love that ever felt right  
Ask me if it's right to love another guy  
First I say yes, then I tell her why

R: Cryin' moontears,  
I'm cryin' moontears,  
Cryin' moontears,  
I'm cryin' moontears

Early in the morning I feel the sun  
True love is sad if it's the only one  
She looks good and it hurts my head  
Sometimes I think I'd feel better dead

R:

Hear me cry!

Yeah, everyone is tryin' to love the one I love  
I don't think they really understand love  
It's easy to fall and harder to part  
No matter where it is it comes from the heart

R:
