Here I come again on a Saturday night After the first love that ever felt right Ask me if it's right to love another guy First I say yes, then I tell her why

R: Cryin' moontears,
 I'm cryin' moontears,
 Cryin' moontears,
 I'm cryin' moontears

Early in the morning I feel the sun True love is sad if it's the only one She looks good and it hurts my head Sometimes I think I'd feel better dead

R:

Hear me cry!

Yeah, everyone is tryin' to love the one I love I don't think they really understand love It's easy to fall and harder to part
No matter where it is it comes from the heart

R:
