

## Divine Love, Sex and Romance

Nina Hagen

He's a real Lifelover  
inna real lovelife  
theres just no other  
and in my arms made by  
the divine mother  
he's at home  
there is just no other

My lovelife so so divine, you're my divine  
tantra mantra, my loveline is so divine and  
thats the bottom-line soo divine

The soul is a spaceship, without you I'm lost  
in space im dressed up in lace, for you  
now you're kissing my hand, you're taking my arm  
together we dance, the one and only dance  
the dance of love, sex and romance

This is your one and only chance  
to dance the one and only dance  
with me  
shakti and the divine ecstasy  
as it's you and me, inna bubble of un plü plü plü  
prügrande affaire d'amour  
love sex and romance  
love sex and romance  
love sex and romance  
love sex and romance

My lovelife so so divine, you're my divine  
tantra mantra, my loveline is so divine and  
thats the bottom-line soo divine
