

Down At The Cross

Nina Hagen

Down at the cross where my Savior died
Down where for cleansing from sin I cried
There to my heart was the blood applied
Singing glory to His name

I am so wondrously saved from sin
Jesus so sweetly abides within
There at the cross where He took me in
Singing glory, glory to His name

Singing glory to His name
Singing glory to His name
There at the cross where He took me in
Singing glory, glory to His name

Oh, precious fountain that saves from sin
I am so glad I have entered in
There Jesus saves me and keeps me clean
Singing glory, glory to His name

I'ma singing glory to His name
Glory to His name
There Jesus saves me and keeps me clean
Glory, glory to His name

Come to this fountain, so rich and sweet
Cast thy poor soul at thy Savior's feet
Plunge in today and be made complete
Singing glory to His name

Singing glory to His name
Glory to His name
Plunge in today and be made complete
Singing glory, glory to His name
