

God's Radar

Nina Hagen

God's radar is fixed on you.
God's radar is fixed on you.
No matter where you go
No matter what you do
God's radar is fixed on you.
It's fixed on you everywhere

If you're in the north
It's fixed on you there
If you're in the south
It's fixed on you there
You're maybe in the east
It's fixed on you there
You're maybe in the west
It's fixed on you there

God's radar ...

He's fixed on your feet
He knows how you walk
He's fixed on your tongue
He knows how you talk
He's fixed on your service
He knows how you give
He's fixed on your heart
He knows how you live
It's fixed on you everywhere

God's radar ... (2x)
