

# Happiness

Nina Hagen

I have such longing  
but I feel sure  
I wasn't made for sorrow  
my time is coming for happiness  
if not today  
TOMORROW, I've  
waited so long, I've  
learned how to cope  
learned, I must never give up  
H O P E

HAPPINESS waits for me somewhere out there in the world  
and I dream of it with every breath I take  
There's a YES just for me,  
and I hope someday we'll meet ...  
one appointment, that's impossible to break  
WHEN & WHERE  
i'm not shure  
but my heart will take me there  
SO MUCH JOY  
to be had,  
and it's TIME I GOT MY SHARE  
Happiness could arrive almost any second NOW  
WHO KNOWS WHEN WHO KNOWS WHERE WHO KNOWS HOW !!
