

## Help Me

Nina Hagen

Lord, help me walk  
Another mile, just one more mile;  
I'm tired of walkin' all alone.

Lord, help me smile  
Another smile, just one more smile;  
You know I just can't make it on my own.

I never thought I needed help before;  
I thought that I could get by - by myself.  
But now I know I just can't take it any more.  
With a humble heart, on a bended knee,  
I'm beggin' You please Lord help me

Come down from Your golden throne to me, to lonely me;  
I need to feel the touch of Your tender hand.  
Remove the chains of darkness  
Let me see, Lord let me see;  
Just where I fit into your master plan.

I never thought I needed help before;  
I thought that I could get by - by myself.  
But I know I just can't take it any more.  
With a humble heart, on a bended knee,  
I'm beggin' You please help me  
And with a humble heart, on a bended knee,  
I'm beggin' You please Lord help me
