

Hold Me

Nina Hagen

Hold me, hold me, hold me lord
I may be right, and I may be wrong
Hold me master, please don't let me go

Yeah, hold me at night time, hold me by day
Sometimes I feel so far away
Hold me master, please don't let me go

I'm tempted here, and I'm tempted there
And I don't know, I don't know
And sometimes lord you know I hurt beyond compare

I'm weak oh lord
You make me strong, make me strong
Take me on up lord, where I belong, where I belong
But holy master, please don't let me go, don't let me go

I'm tempted here, and I'm tempted there
And I don't know, I don't know
And sometimes lord you know I hurt beyond compare

I'm weak oh lord
You make me strong, make me strong
Take me on up lord, where I belong, where I belong
But holy master, please don't let me go, don't let me go

Yeah, hold me, hold me, hold me
Lord please, please go and hold me
Hold me master, and please don't let me go, don't let me go
Please, please don't let me go

C'mon and hold me
Hold me
