

I Am Nina

Nina Hagen

I don't wanna be another junkie
I don't wanna be no criminal
All I really want is to be free
A free rebel!

I don't wanna be another junkie
I don't wanna be no criminal
All I really want is to be free
A free rebel!

And I don't wanna be like Elvis Presley
I don't wanna be no fat asshole
I don't wanna die in White Trash City
Fuck Las Vegas!

I don't wanna be like Neo-Nazis
I don't wanna eat beef and get drunk
I don't wanna live in Germany
I want my freedom!

I don't wanna be another yuppie
I don't wanna drive a Beemer
I don't wanna die in Malibu
I am Nina!

I don't wanna be another junkie
I don't wanna be no Kurt Cobain
All I really want is to be free
A free rebel!
