

# Leave Me Alone

Nina Hagen

Everyone's against me,  
They made me this way  
Everyone's against me,  
They'll be sorry one day

Lass mich in ruhe, just leave me alone  
Lass mich, lass mich in ruhe  
Leave me, just leave me alone  
Lass mich, lass mich in ruhe

Ignoranten, seht sie euch an one by one  
Alles mutanten, spoiling my fun

Lass mich in ruhe, just leave me alone  
Lass mich, lass mich in ruhe  
Leave me, leave me alone  
Lass mich, lass mich in ruhe

I hate it, it makes me sick  
I hate it, hate, hate, hate, hate

Lass mich in ruhe, leave me alone  
Lass mich, lass mich in ruhe  
Leave me, leave me alone  
Lass mich, lass mich in ruhe

Lass mich in ruhe, leave me alone  
Lass mich, lass mich in ruhe  
Leave me, leave me alone  
Lass mich, lass mich in ruhe
