

Mean Old World

Nina Hagen

Lord this is a mean old world
Folks don't care how their treating you
Oh lord this is a mean old world
Sometimes I feel like a motherless child
Yes Sometimes I feel like a motherless child
Yes Sometimes I feel like a motherless child
Far Away From Home
Lord I've been abused I've been scored
Lord I've been abused I've been scored
Lord I've been abused I've been scored
Well Well Well
I've been talkin' Bout talkin 'bout
Since I've been born
Lord this is a mean olrd world
Oh Lord this is a mean old world
Folks don't care how their treating you
Ohh oh oh Lord this is a mean old world
