

Super Freak Family

Nina Hagen

Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freak family
Nina Hagen fragen

I'm hearing cosmic noises shouted in my ear
They say we've got two choices, one is freedom, one is fear
Walking down on Broadway the birds are singing clear
Nina Hagen fragen, Nina is the pioneer here, here

Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freaky family
Freak brothers and freak sisters, my super freak family
Fantastic, so fantastic
Fantastic, so fantastic
Freak! Freak! Freak!
Freak! Freak! Freak!

A very groovy dream I had to dream last night
Guess what, I met Sid Vicious, oh yes that's right
He took me to his funeral, he made a special flip
Out of the grave just for me
We felt like super family, he and me, he and me

Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freaky family
Freak brothers and freak sisters, my super freak family
Fantastic, so fantastic
Fantastic, so fantastic
Freak! Freak! Freak!
Freak! Freak! Freak!

I also have a girlfriend from Hollywood
Her name is Angelyne, and she's a billboard queen
She's gazing into her crystal ball especially for me
Saying, "Nina, did you really?"
Yes I've got married yee hee hee

I also went to see his eminence, prince what's his name you know
The show was pretty funky, so I ran to the very first row
But security was giving it to me
I had to cry, I wonder why the prince didn't rescue me,
Not me, uh uh, uh uh...

Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freak family
Freak brothers and freak sisters, my super freaky family
Freak brothers and freak sisters, my super freak family
Fantastic, so fantastic
Fantastic, so fantastic
Freak! Freak! Freak!
Freak! Freak! Freak!
