

This Magic Stuff

Nina Hynes

Be my sanctuary
I know it's not ordinary of me
But I can't get enough of you
I could be in love with you
So be true
'Cause I know
I know, I know, I know you

When you're away
I promise you'll stay in my heart
If you stay
I promise you'll stay in my heart
You'll stay in my heart

'Cause you bring me
Somewhere so beautiful
You make me
Feel so beautiful
You take me
Somewhere so beautiful
And you know it's you

I could be your gambling machine
And you could put the money in me
Can't call the bluff on you
I could be in love with you
So be true
'Cause I know
I know, I know, I know you

When you're away
I promise you'll stay in my heart
If you stay
I promise you'll stay in my heart
You'll stay in my heart

'Cause you bring me
Somewhere so beautiful
You make me
Feel so beautiful
You take me
Somewhere so beautiful
And you know it's you
You know it's you
You know it's you
You know it's you
You know it's you
You know it's you
