

It could have been any one of us
You or me
To walk the line of fire
Anyday it all could change
Don't see it coming on, it's coming on

It's a crazy, crazy world
A topsy turvy, upside down, corners curving kind of world
And sometimes, I don't know
Who I am
And sometimes, I don't know
Where I stand

It's universal, I know, I know
It's not less special, to know, to know
Everybody can feel it too
And what's unique
Is me and you

Watching the way things can turn round and round
You need the grace of a tightrope walker
Anyway now, that you can, just do something that's good
Something that's good

It's a crazy, crazy world
A topsy turvy, upside down, corners curving kind of world
And sometimes, I don't know
Who I am
And sometimes, I don't know
Where I stand

It's universal, I know, I know
It's not less special, to know, to know
Everybody can feel it too
And what's unique
Is me and you

It's a crazy world
