

## A Love Song

Nina Nastasia

Go get the dog  
Out on the hill  
He wants to lick  
The moon

I made a wish  
Upon your head  
I only want to sleep and  
Dream of you, dream of you

Lazy sky  
Your stars look tired  
Heed me, brother  
Brother...

Mother...  
Oh...  
Oh...  
Oh...
