

All Your Life

Nina Nastasia

Busted chin
Seeing stars
Glaring at your handlebars
Your handlebars
Why don't you
Try again
All your life
You couldn't win
You couldn't win
She's never coming back
She's never coming back
And all this waiting
Is bringing me down
Harrowing
Makes you thin
You're so high
You can't look up
You can't look up
Why don't you
Try again
All your life
You couldn't win
You couldn't win
She's never coming back
She's never coming back
And all this waiting
Is bringing me down
She's never coming back
She's never coming back
And all this waiting
Is bringing me down
