

Smiley

Nina Nastasia

You're on my side again
You make me cry again
Smiley

You talk me round again
Everything's left
So untidy

I'm not that strong
Everything's easy
Greezy

You're not a bitch
It's your job, tease me
Push me

Under your thumb
Am i suffering
From being tied?

Keep it easy
I'm not one to fight
Close your mouth
I'm not one to fight

Don't be a friend to me
Keep yourself far from me
Smiley

Make it easy
I'm not one to fight
Close your mouth
I'm not one fight

Uh...
